This trophy will be presented to the Unit submitting the best report on their efforts to enhance the image of the Unit, Post and S. A L. in the community of their location. This report is to be sent to the Department President and be judged using "Building a Better America" as the theme. The time, effort and percentage of members participating rather than funds or amount of money spent will be the deciding factor, encouraging smaller Units to compete. Reports are narrative format, however, photos, news clippings, and letters from local officials can accompany reports for verification. Your participation will be judged by the percentage of members actively taking part in programs, not by the amount of money spent. The Department President, the NEC Representative and Department Secretary will judge the reports. The Unit Secretary and Unit Community Service Chairman must sign the report. **A copy of this report is to be sent to the Department Community Service Chairman for inclusion into her National report.**
